Dear Commissioner Bitter-Smith & Burns

We are residents of Sun Lake, 26602 S Lakewood Dr. and would like to urge you to vote NO at the Hearing regarding the raising of our water rates to include and incorporate the income taxes the Sub Chapter S stockholders need to pay on the income they derive from Pima. They have chosen a Sub Chapter S and therefore they should abide by the consequences and benefits afforded with a Sub Chapter S. It does not seem fair to add their income taxes to our water usage bills.

I have called Commissioner Stumps office and registered my opinion. I understand that you will have this on your next week's agenda. Because of my surgery next week I will be unable to attend that hearing.
